

Rattlesnake Avoidance Clinic for Dogs

Santa Rosa Plateau Riding Club

If your dog spends any time outside in your yard, field, or on trails, they are in danger of RATTLESNAKES!

TEACH TO STAY AWAY

The training methods are safe, humane and are a proven way to avoid rattlesnakes. Our avoidance training teaches dogs to recognize and stay away from the **scent, sound, and sight** of rattlesnakes.

This clinic is conducted by professional dog and snake handlers who utilizes a two-fold technique:

EDUCATION AND SAFETY

The safety and comfort of your dog is our priority! The training takes place in a controlled environment using a remote-control training-collar system adjusted specifically to each dog's response characteristics. We use only the minimum level of stimulation to produce the desired education. Yearly training is recommended to refresh and strengthen your dog's awareness.

VACCINE AVAILABLE: A rattlesnake bite can flood a small dog's body in minutes, so they must have anti-venom in their systems to be protected. The Vet will recommend the appropriate dose for your dog. Vaccines avail on Saturday 9-3pm,

TRAINING CLINIC DATE: SATURDAY, APRIL 1st, 2023

RATTLESNAKE VACCINES will be avail. 9:00-3:00

Clinic Fee per dog \$80.00* Rattlesnake vaccine per dog \$40.00

**Appointments can only be made after registration and payment have been received.*

There are **two** convenient ways to register/pay:

*Access www.srprc.com . Go to SHOP, Submit Payment (NOTE-include your email!). After receipt of payment, you will be emailed a link to the appt. calendar so that you may select your time. Note, if you are **ONLY** getting vaccines with **NO** training, just pay online and then show up between 9-3 on Saturday. **ANY** training **MUST** have a designated appt. time.

OR....

*Mail it with your check or money order with total amount payable to: **SRPRC**. Make sure to include your email!

Mail to: **SRPRC, PO BOX 9, Wildomar, Ca 92595**. Tina will then email you with website link to sign up avail times.
