

# Rattlesnake Avoidance Clinic for Dogs

Hosted and Sponsored by the Santa Rosa Plateau Riding Club

*If your dog spends any time outside in your yard, field, or on trails, they are in danger of  
**RATTLESNAKES!***

This clinic is conducted by professional dog and snake handlers who utilizes a two-fold technique:

## TEACH TO STAY AWAY

The training methods are safe, humane and are a proven way to avoid rattlesnakes. Our avoidance training teaches dogs to recognize and stay away from the **scent**, **sound**, and **sight** of rattlesnakes.

## EDUCATION AND SAFETY

The safety and comfort of your dog is our priority! The training takes place in a controlled environment using a remote-control training-collar system adjusted specifically to each dog's response characteristics. We use only the minimum level of stimulation to produce the desired education. Yearly training is recommended to refresh and strengthen your dog's awareness.

**VACCINE AVAILABLE:** A rattlesnake bite can flood a small dog's body in minutes, so they must have anti-venom in their systems to be protected. The Vet will recommend the appropriate dose for your dog. Vaccines avail on Saturday the 4<sup>th</sup> between 9-3pm, only.

**TRAINING CLINIC DATES: APRIL 4 - 5<sup>TH</sup>**

**RATTLESNAKE VACCINES will be avail. 9:00-3:00 Sat. April 4<sup>TH</sup>**
